DESCRIPTION

A 300 ml stoneware ceramic mug in a classic cylindrical shape with an ergonomic handle. Its capacity is suitable for coffee or tea; the glossy finish makes hand-cleaning straightforward. The rim and interior provide a comfortable drinking experience. The item is not dishwasher safe and is supplied individually boxed in white cardboard. Compact dimensions Ø8 x 9 cm make it convenient for corporate gifts and events.

The mug features a special sublimation coating that reveals your graphic when hot liquid (around 50 °C) is poured in, producing a colour-change effect for the print. The surface is smooth and even, offering reliable handling for everyday use; hand wash only to preserve the thermal effect.

Personalise this personalised mug using sublimation or pad printing. Suitable for businesses, sports clubs, associations, events and private customers looking for branded gifts or promotional items.
