Carton	5 pieces

DESCRIPTION

The Stockholm Trolley is a compact travel trolley backpack designed to carry a 15" laptop and everyday essentials for business trips or school journeys. Constructed from PET with a reinforced back (360D), it provides stable support and protection. Its dimensions (32.5 x 12.5 x 46 cm) make it easy to stow in overhead lockers or vehicle trunks.

The trolley features a main compartment, an internal zipped pocket and a dedicated laptop/tablet sleeve. A telescopic handle and integrated wheels sit above a protective base to reduce soiling, while mesh side pockets offer quick access to a bottle or umbrella. Visible details include a textured fabric look and reinforced stitching at stress points.

This item can be personalised by transfer, DTF printing or flex. Suitable for companies, sports clubs, associations, events and private customers. Minimum order quantity: 3 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo for production.
