Brand	FLEXFIT
Composition	98% Cotton, 2% Elastane
Material	Cotton
Fabric weight	307 g/m²
For	Unisex
Country of origin	Bangladesh
Carton	72 pieces

DESCRIPTION

Unisex driver cap in a classic 6-panel cut, made from a herringbone twill blend with 98% cotton and 2% elastane for a structured yet slightly stretchy fit. The short, flat peak and tailored panels deliver a discreet, timeless look suitable for everyday wear, while the elastane content improves comfort and fit. Care follows standard cotton garment instructions.

The cap features an integrated Flexfit® band for easy fitting without an external adjustment. Clean stitching and a compact peak maintain the traditional driver-style silhouette, making it practical and smart in use.

The cap can be personalised by embroidery and is available from one piece. Recommended for companies, sports clubs, associations, events and private customers seeking a personalised driver cap. Our studio can refine or vectorise your logo before marking.

KEY FEATURES

- Flexfit® technology
- Herringbone twill
