DESCRIPTION

A compact Las Vegas indoor game set including a 52-card paper deck and five wooden dice housed in a wooden box measuring 10 x 9 x 2 cm. The box features a sliding lid and divided compartments that keep the cards and dice neatly organised. The simple wooden finish is low-maintenance — dusting is sufficient — and the flat surfaces are well suited to apply a logo or mark.

The internal layout prevents movement of the components and the compact dimensions make this set easy to distribute as a gift or promotional item. Materials are paper for the cards and wood for the box and dice; the construction is practical for repeated handling in event or club contexts.

Customisation available for personalised indoor game sets using laser engraving, pad printing and screen printing on objects. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production 10 working days. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg. Suited to companies, clubs, associations and event giveaways.
