DESCRIPTION

This domino set comes in an MDF box and offers a compact indoor game solution (14.5 x 4.5 x 2.5 cm), suitable for corporate events, clubs or promotional giveaways. The rectangular wooden box features a sliding lid that protects the tiles and makes storage simple. The tiles are arranged side by side in a slim tray, making the set easy to slip into a bag or display on a counter.

The straightforward construction and natural wood finish provide a discreet, practical look. Its compact dimensions make it convenient for regular handling and transport, suitable for both adults and younger players during events or gatherings.

This personalised domino can be customised by pad printing or laser engraving, techniques well suited to MDF. Recommended for businesses, sports clubs, associations, events and promotional gifts. A minimum order of 50 pieces applies (combined colours and sizes). Our studio can retouch or vectorise your logo to ensure a precise pad print or engraving.
