DESCRIPTION

This Mini Mikado indoor game is made from bamboo and comes in a slim wooden box with a sliding lid, offering a tidy, protective presentation. At 19 x 4 x 2 cm the set is compact and portable, suitable for events, giveaways or leisure use. The bamboo sticks provide a natural feel and good grip; store the set in a dry place to maintain its condition.

The narrow box keeps the sticks secure and presents the game neatly for distribution. The sticks are straight and uniformly sized for smooth handling by children and adults alike. Maintenance is minimal — simple dusting is usually sufficient to keep the game ready for use.

This personalised indoor game can be marked by pad printing, laser engraving or screen printing on objects, allowing branding on the box or the sticks. Suitable for companies, clubs, schools, associations and promotional events — minimum order 50 pieces (colours and sizes combined). We provide a free quotation within 24 hours on weekdays and offer a graphic studio to vectorise your logo.
