DESCRIPTION

This Futbolin mini table football is a compact MDF table-top game sized at 50 x 52 x 9 cm, designed for casual play and events. Its sturdy construction with metal rods and ergonomic handles offers comfortable play; the board is stable and suitable for repeated use. The model works well for both younger players and adults depending on the intended setting.

The table includes player figures mounted on rods, ball return openings and manual score sliders — all features for quick, entertaining matches. Reinforced plastic corners improve durability and make maintenance straightforward: a simple dusting keeps the MDF and playing surface in good condition.

This personalised table football can be customised using appropriate object techniques: screen printing, laser engraving, digital printing, doming or pad printing. It is recommended for companies, clubs, associations, events and private customers looking for a playful branded item. Minimum order: 3 pieces (colours and sizes combined) — smaller quantities may be possible with extra fees. Free quote within 24 hours on weekdays and a design studio is available to refine or vectorise your logo.
