DESCRIPTION

The Deopad 15 laptop sleeve is designed to protect a 15" laptop: constructed from EVA with high-density foam (around 2.5 mm) offering light shock and scratch protection. Its slim, rectangular profile with rounded corners makes it easy to slip into a business bag while keeping a professional, low-profile appearance. Wiping with a damp cloth is sufficient for care.

The sleeve features a visible zip closure around the edge and clean finishes that reinforce its structure. External dimensions 39 x 3.5 x 26.5 cm; the minimalist design shown has no external pockets, prioritising compactness and practicality for everyday business use.

Customisation is available for companies, sports clubs, associations and events: this personalised laptop sleeve can be decorated using flex, screen printing on objects, multicolour transfer and DTF printing. Minimum order: 13 pieces (colours and sizes combined). Our graphic studio can vectorise or retouch your logo and we provide a free quote within 24 hours on weekdays.
