Average weight	0.088
Dimensions	Ø6,5 x 16,5 CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

This personalised sports bottle is designed for outdoor activities and training sessions. Made of PET, it combines a compact bottle (Ø6.5 x 16.5 cm) with an included 30 x 80 cm microfibre towel — ideal for wiping down after exercise. The Fris model features a textured sleeve around the body for improved grip and a cap with a loop/mousqueton to attach to bags. It is available in several colours, for example White, Royal Blue and Black.

In practical use the microfibre towel stores neatly inside the bottle and dries quickly; the cylindrical shape and wide opening make it easy to refill. The sleeve's textured finish provides an anti-slip surface as shown in the photo and offers light protection for the bottle wall. Dimensions and PET construction make it convenient to carry with sports gear.

This bottle can be personalised for companies, sports clubs, associations and events. Possible techniques: embroidery, digital printing, tampography, screen printing on objects, multicolour transfer, DTF printing, flex. Minimum order quantity: 50 pieces (colours and sizes combined). personalised sports bottle
