DESCRIPTION

PU heart-shaped keyring, Lovy Ring model, designed as a compact promotional item or giveaway. Its smooth PU finish and compact dimensions (4.2 x 3.1 x 4.4 cm) provide a comfortable feel and consistent appearance; the metal ring and chain ensure secure attachment to keys or bags. Care is simple: wipe clean with a damp cloth.

The rounded profile and small attachment eye shown in the photo make this keyring easy to brand and give a tidy finish once attached to a key set. The model is available in 1 colour (red) and its small size makes it a subtle yet effective promotional accessory.

This personalised keyring requires a minimum order of 200 pieces (colours and sizes combined). We offer customisation by laser engraving and pad printing to suit the desired effect. Suitable for businesses, clubs, associations, events and corporate gifts; our design studio can vectorise or retouch your logo and provides a free weekday quote.
