DESCRIPTION

The Reconote notebook, compact at 10 x 1.2 x 14 cm, is built for everyday note-taking. It features a soft cover made from recycled board protecting 140 lined pages (70 sheets), adhesive note blocks in two sizes and four coloured page markers. A matching push-button ballpen with recycled-board accents sits in a side pen loop; an elastic closure keeps the contents secure. The cover is FSC®-certified.

Practically designed, the notebook's pocketable size and included accessories help organise notes on the go or in meetings. The page markers and sticky pads make it easy to flag important pages, while the dedicated pen holder ensures you always have a pen to hand. The overall finish is neat and suited to corporate or promotional use.

This personalised notebook can be marked by tampography or screen printing on objects to add your logo or slogan. Minimum order: 50 pieces (colours and sizes combined); lower quantities may be possible with additional fees. Suitable for businesses, associations, schools, clubs and events; free quote within 24 hours on weekdays and graphic studio support available.
