DESCRIPTION

The Donau Bally barbecue apron is designed for outdoor use and includes three elements plus a glove, made from durable PET. Its rectangular cut provides good coverage of the chest and upper thighs; the bib features an adjustable neck strap and side ties for a secure fit. Dimensions: 74 x 50 x 2 cm, with reinforced finishes and vertical pockets suitable for spatulas and tongs. Easy-care for regular barbecue use.

The apron offers several pockets and cylindrical holders to keep utensils in place, together with a flat pocket for the glove. Stitching appears reinforced at wear points and the apron folds compactly for transport. Practical for outdoor events, club barbecues and community activities where tool organisation matters.
