Material	PET
Average weight	0.125
Dimensions	8 x 24.5CM
Country of origin	China
Carton	25 pieces

DESCRIPTION

The Sicilia bottle in PET (Tritan™) holds 650 ml and features a slim, unisex silhouette (8 x 24.5 cm). It pairs a transparent body with stainless-steel detailing and a foldable spout with an internal straw for easy on-the-go drinking. Not suitable for carbonated beverages; described as BPA-free by the supplier. The straight profile rinses easily and fits most car cup holders and bag compartments.

The foldable spout offers quick access and helps prevent leaks when closed, while the metal ring around the neck adds durability and a neat finish. The dimensions and slim form make the bottle practical for daily use, commuting and events.

Customisation available from a minimum order of 13 pieces (colours and sizes combined). Possible techniques: DTF printing not applicable (see specific techniques), digital printing, screen printing on object, pad printing and laser engraving. Suited to companies, clubs, associations, events and promotional gifts. Our studio can retouch or vectorise your logo; free quote within 24 hours on weekdays.
