## DESCRIPTION

The Powernoty is a professional A5 personalised notepad designed for meetings and mobile use. Its linen-effect PU cover protects a 20-sheet lined pad and houses a 4000 mAh powerbank with an integrated micro-USB to Type-C connector. Compact at 17.5 x 22.5 x 2 cm, it features a magnetic closure and an elastic pen loop for practical everyday handling.

Inside you'll find multiple internal compartments for cards, notes and charging cables; visible stitching and neat finishes provide structural rigidity without extra bulk. The magnetic fastener keeps contents secure and the replaceable notepad allows continued use once the 20 sheets are spent.

This personalised notepad is ideal for companies, sports clubs, associations, events and individuals and can be customised by doming, pad printing, screen printing on item, multicolour transfer or DTF printing. Minimum order: 5 pieces (colours and sizes combined). Ask for a free quote within 24 hours on weekdays; our graphic studio can vectorise or retouch your logo.
