DESCRIPTION

The "Bonne Nuit" travel eye mask is made from PET-PU and sized at 18.5 x 8.5 cm for comfortable use on trips. Its contoured, oval shape includes a subtle nose indentation to follow the face's profile. The smooth PET-PU surface is low-maintenance and practical for travel accessories available in several colours such as Black and Blue.

The mask features two elastic loops on each side for secure adjustment and stitched edging that enhances durability. Its slim, flat construction makes it easy to slip into luggage or a wash bag without bulk.

Customisation options include flex, screen printing on objects, multicolour transfer and DTF printing. Ideal for companies, sports clubs, associations, events and personalised gifts for individuals seeking a personalised travel accessory. Minimum order: 1000 pieces (colours and sizes combined); lower quantities can be arranged with additional fees.
