DESCRIPTION

The Vigor 8,000 mAh powerbank is a slim, rectangular portable charger designed to power smartphones and small devices either by cable or wirelessly. Its compact profile and smooth finish make it practical for everyday mobile use and easy to carry.

The unit features a circular wireless charging pad, a USB-A output port and a USB-C port for recharging the powerbank. A power button and LED charge indicators provide quick status checks. Dimensions: 13.5 x 7.5 x 1.8 cm, a size that fits conveniently into a bag or pocket.

This Vigor model can be customised using DTF printing (as DTF printing is used for textiles, for this item we offer digital printing and pad printing / tampography for logos on the housing). Minimum order: 20 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo; collection in Evere or delivery in Belgium, France and Luxembourg available. Presented as a personalised powerbank.
