DESCRIPTION

The Epi baby bib is designed for everyday use by infants. Its rounded shape and generous neck opening make it easy to put on and comfortable to wear; the construction combines cotton with a PEVA layer for easier cleaning. At 19.5 x 27 cm it provides good coverage for mealtimes and messy activities. Follow standard care guidance for mixed cotton/PEVA items when laundering.

The bib features bound edges and a hook-and-loop (scratch) closure at the neck for quick, secure fastening. Its oval cut and compact neckline reduce creasing and keep the bib in place during use. The product is available in several colours, for example white (other colour options listed on the product page).

Order this personalised bib for companies, clubs, associations, events or private customers. Customisation techniques available: flex, multicolour transfer, DTF printing, embroidery, screen printing on objects. Minimum order: 100 pieces (colours and sizes combined) — this item cannot be ordered per piece. Our graphic studio can retouch or vectorise your logo.
