DESCRIPTION

This 200 ml ceramic mug, model Mini Sublim, is designed for everyday use in the office, at events or at home. Its cylindrical shape and generous handle provide a comfortable grip; the glossy finish and special sublimation coating allow high-quality transfers. Dimensions Ø8 x 8 cm; each mug is packed individually in a cardboard box. It is dishwasher-safe for normal use, though gentle washing is recommended to preserve very detailed prints.

The clean silhouette and even walls make filling and handling easy; a stable base reduces the risk of tipping. Made of stoneware, the mug is robust for regular use and the individual packaging protects each unit during transport or distribution.

Customize this personalised mug by sublimation, screen printing (object) or pad printing depending on the desired effect. Suitable for companies, events, clubs, associations and promotional gifts. Minimum order: 10 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees; free quote within 24 hours on weekdays.
