Average weight	0.012
Dimensions	10.5 x 2.5 x 0.2CM
Country of origin	China
Carton	1000 pieces

DESCRIPTION

The Botelia keyring bottle opener is an aluminium accessory designed for everyday use. Its elongated bottle-shaped silhouette incorporates a cut-out at the base to remove bottle caps. Durable and lightweight thanks to aluminium, it measures 10.5 x 2.5 x 0.2 cm, making it easy to attach to a key bunch or bag. It is offered in several colours, for example black and silver.

Its simple one-piece design without moving components reduces wear. The metal split ring at the top provides secure attachment to keys. Maintenance is straightforward: wipe with a damp cloth to remove marks from handling.

This personalised keyring can be customised using laser engraving or pad printing to add a logo or text. Suitable for companies, sports clubs, associations, events and promotional gifts. Note: minimum order quantity 500 pieces (colours and sizes combined).
