## DESCRIPTION

The Lullaby baby comforter measures 34x37cm and is designed for infants. Made from soft PET, it provides a plush, lightweight feel that is easy for small hands to hold. Its compact size makes it convenient to carry in a changing bag or stroller, and the product is intended specifically for baby use.

The comforter features a sewn-on animal head at the top, long floppy ears and three knotted corners that encourage tactile exploration and gripping. The simple finishes and smooth PET surface make everyday cleaning straightforward.

Well suited as a welcome gift or event item for youth-focused organisations, this comforter can be personalised by personalised baby comforter techniques including flex, multicolour transfer, DTF printing and embroidery. Recommended for companies, clubs, associations and private customers. Minimum order: 100 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo for marking.
