DESCRIPTION

The Berlin anti-theft backpack is a compact PET-PVC model (26x13x45 cm) with a main compartment and an internal 13" laptop sleeve. Its slim profile, padded shoulder straps and top carry handle make it comfortable for daily use. A rear zip closure improves security against theft and the textured material gives the bag a smart, structured look. It comes in several colours such as black, blue and grey.

Functional details visible include a diagonal front zip pocket for quick access and a reinforced base. The built-in USB charging cable lets you recharge devices on the go. Care is straightforward — wipe clean as needed for this material.
