DESCRIPTION

Unisex 5-panel cap made from durable canvas (98% cotton, 2% elastane) offering a soft drape with slight stretch. Jockey-style cut with a flat brim and low-profile crown that keeps its shape while remaining understated. One Size with an adjustable clip closure for a secure fit.

Clean finishing with visible panel stitching: the 5-panel construction provides a continuous front panel ideal for logo placement. Easy to care for as a cotton-blend textile; the canvas ensures good wear resistance. Available in several colours, for example BLACK and NAVY.

The personalised 5-panel cap can be customised from one piece using embroidery, screen printing, transfer, DTF printing or flex. Suitable for businesses, sports clubs, associations, events and private customers. Our studio can vectorise or retouch your logo prior to production.
