DESCRIPTION

This personalised 5-panel cap is a unisex One Size model made from 100% polyester, featuring a snug fit with an internal elastic band for reliable hold. Its minimalist, seamless look gives a clean modern profile; the gently curved peak and neat topstitching keep the cap practical and smart. The cap is offered in several colourways, for example BLACK, GREY and KHAKI.

Designed for everyday wear, the cap is easy to care for and includes side eyelets for improved ventilation during outdoor use. The elastic inner band maintains a consistent fit and the overall construction balances comfort and style without unnecessary bulk.

We personalise caps using embroidery, screen printing (transfert sérigraphique), MSO transfers, DTF printing or flex. This personalised 5-panel cap is suitable for companies, sports clubs, associations, events and private individuals and can be customised from one piece. Our design studio can retouch or vectorise your logo before production.
