DESCRIPTION

Unisex Dad 5-panel cap in a jute-like fabric, offering a textured look with practical comfort. Made from a 65/35 polyester/cotton blend, it provides breathability and durability. One size with an adjustable strap, internal sweatband and a curved peak for sun protection make it suitable for everyday wear.

Details visible on the cap include ventilation eyelets, a top button and neat panel seams that improve structure and fit. The adjustable closure allows easy sizing adjustments, while the woven texture gives the cap a resilient finish that stands up to regular use.

Customize this cap for companies, sports teams, associations, events or retail using Screen print transfers, MSO transfers, DTF printing, flex (heat transfer vinyl) or embroidery. Available in several colourways such as NATURAL and OFFWHITE. Our studio can vectorise or retouch your logo — this personalised cap can be ordered and personalised from one piece.
