Fabric weight	293 g/m²
For	Unisex
Country of origin	Bangladesh
Carton	72 pieces

DESCRIPTION

Unisex 5-panel cap in a 74% polyester / 26% cotton blend, offering a smooth handle and lightweight wear. The cap has a low-profile fit with a gently curved peak and a retro-reflective outer finish that improves visibility in low light while maintaining a clean look. Adjustable press-stud closure provides a one-size fit.

Visible stitched seams reinforce the five-panel construction and each panel includes a ventilation eyelet for airflow. The peak features neat topstitching to preserve its shape. Care gently by hand washing or a delicate machine cycle and avoid harsh treatments to protect the reflective surface.

This personalised 5-panel cap can be customised from one piece and is suited to businesses, sports clubs, associations and private customers. Available marking techniques: screen transfer, MSO transfer, DTF printing, flex and embroidery. Our design studio can vectorise or adapt your logo for production.

KEY FEATURES

- Provides enhanced visibility, perfect for wearing at night.
- Press stud fastening for made-to-measure comfort.
- A sleek, versatile design that complements any outfit with ease.
