Pin button

Ref. 9330

Reference	9330
Composition	Metal
Material	Metal
Average weight	0.01
Dimensions	Ø6 CM
Country of origin	China
Carton	1500 pieces

DESCRIPTION

This metal pin badge measures 6 cm in diameter and is designed to hold a paper insert. Its flat metal face provides a clear printing surface and the safety-pin fastening on the reverse ensures secure attachment to jackets, bags or uniforms. Practical for event giveaways, campaigns and promotional distributions.

The badge features a classic metal construction with a ribbed rim and visible pin mechanism as shown in the photo. Items ordered without decoration are supplied unassembled so the insert can be placed during finishing. Available in several colours (for example matte silver), dimensions Ø6 cm.

Customisation options include pad printing, screen printing and digital printing on products. Recommended for companies, sports clubs, associations, events and individuals looking for a personalised pin. Minimum order quantity: 750 pieces (colours and sizes combined); we provide a free quote during weekdays.
