DESCRIPTION

This metal Pin Opener is a compact promotional item combining a magnet and bottle opener in a circular disc of approximately 6 cm diameter. Made from metal, it features a paper insert on the front for a printed design, making it practical for giveaways, events and branded merchandise.

The reverse side incorporates the bottle-opening feature; final assembly is carried out after printing. The product is available in several finishes (for example matt silver) depending on stock. For unmarked orders the item is supplied unassembled.

This personalised pins and badges suits companies, clubs, associations and events. We offer marking by tampography, screen printing, digital printing and other suitable techniques; our graphic studio can vectorise or retouch your logo. Minimum order quantity: 250 pieces.
