DESCRIPTION

This metal round keyring (Ø6 cm) features a smooth front designed for a paper insert and a rear side with an integrated bottle opener. It includes a short chain and split ring for easy attachment to keys. The matte silver finish provides a discreet, durable look; items ordered without marking are supplied unassembled.

Built for everyday use, the flat front is ideal for a visible insert or print while the built-in opener adds practical function without bulk. The sturdy metal construction suits pocket or bag use and keeps the keyring compact.

This personalised keyring can be marked by tampography, screen printing or digital printing. Suitable for companies, sports clubs, associations, events and promotional gifts for individuals. Minimum order quantity: 250 pieces (colours and sizes combined); smaller quantities may be possible with additional fees.
