DESCRIPTION

The New & Smart toiletry bag is a practical travel accessory for personal care items. Constructed from polyester 600D with a PPE lining and PET-TPE composition, it has a compact rectangular shape (21 x 8 x 13 cm) that provides useful capacity without bulk. Its straightforward cut makes it suitable for organisations seeking a robust, easy-use bag for toiletries and small essentials.

The photograph shows a front zip pocket and a main compartment with a double zip, with corded zip pulls and a small side loop for carrying. Seams appear reinforced at the corners and the material has a slightly textured finish, which helps with maintenance. The bag is offered in several colours — for example Black, Blue or Beige.

We personalise this toiletry bag by screen printing, multicolour transfer, DTF printing or flex, suitable for companies, sports clubs, associations and event giveaways. Minimum order: 100 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo to ensure optimal printing. personalised toiletry bag
