Country of origin	China
Carton	80 pieces

DESCRIPTION

This 500 ml Tritan bottle is designed for everyday use — at the office, school, events or on the move. The BPA-free material gives a lightweight, durable feel; it is not suitable for carbonated drinks. The bottle features a metallic screw cap as shown in the photo and a slim cylindrical profile (Ø6 x 19.5 cm) that fits most bag pockets and cup holders.

The smooth finish and attached carrying strap make it practical to transport. The clean surface is easy to wipe; handwashing is recommended depending on supplier guidance. Avoid use with fizzy beverages.

Personalised bottle available from 40 pieces. Ideal for companies, sports clubs, associations, events and private customers. Marking techniques offered: digital printing, screen printing on objects, pad printing, laser engraving and doming. Free quote within 24 hours on weekdays and graphic studio support for logo preparation are available.
