DESCRIPTION

This 500 ml soda-lime glass bottle, model Utah Glass, is designed for non-carbonated drinks and features a slim straight shape (Ø6 x 22 cm) for comfortable handling. The metal screw cap and leak-proof design make it suitable for everyday carry. A neoprene sleeve protects the glass and provides light insulation, while the attached strap makes it easy to carry.

The finish pairs clear glass with a stitched neoprene cover that surrounds the bottle's body and a wide mouth for easy filling and cleaning. The bottle is available in several colours, for example Black, Orange and Turquoise, making it suitable for promotional packs, event giveaways or corporate gifts where a clean, practical look is required.

This personalised bottle can be marked by digital printing, screen printing (object), multicolour transfer, flex, DTF printing, laser engraving or pad printing. Minimum order: 25 pieces (colours and sizes combined); lower quantities may be possible with additional fees. Recommended for companies, clubs, associations, schools and private customers — our studio can also retouch or vectorise your logo.
