Ref. 9360

Reference	9360
Composition	Stainless steel
Material	Stainless steel
Average weight	0.085
Dimensions	17.5 x 3.5 x 0.8CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

This practical bottle opener combines stainless steel with a wooden surface for a slim, flat design (17.5 x 3.5 x 0.8 cm) that slips easily into a drawer. The steel construction ensures durability while the wooden top adds a natural, tactile finish; wipe clean with a damp cloth.

The Canopy model features circular cut-outs at each end to lever off caps efficiently—the thin edge slides under the cap for quick opening. The understated wooden look suits office kitchens, hospitality settings and promotional gift packs without unnecessary detail.

Available for personalisation by pad printing or laser engraving, this personalised kitchen utensil is ideal for businesses, clubs, associations and events seeking a useful branded item. Minimum order: 50 pieces (colours and sizes combined). Our graphic studio can prepare or vectorise your logo before production.
