## DESCRIPTION

Round lip balm, model Uv Soft, designed for everyday use. Its compact Ø3.8 cm size and dome applicator provide comfortable, precise application. The formula includes SPF10 and a vanilla flavour and is dermatologically tested. The item comes in several colours, for example Brillante Silver, Champagne or Gold, and fits easily into a pocket or counter display.

The metallic finish and visible screw thread ensure a secure cap and straightforward hand opening. The white interior and domed applicator make product distribution on the lips easy without additional tools. Suitable for promotional campaigns, gift sets or retail displays.

This personalised lip balm can be marked by laser engraving or pad printing. Minimum order: 250 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees.
