Ref. 9393

Reference	9393
Composition	Aluminium
Material	Aluminium
Average weight	0.018
Dimensions	Ø1 x 14 CM
Country of origin	China
Carton	600 pieces

DESCRIPTION

The Negrito ballpen is made from recycled aluminium and designed for everyday office use or events. Its slim profile and matte finish provide a comfortable grip; the tapered tip and push-button mechanism ensure smooth writing. Lightweight yet sturdy due to its aluminium construction, it slips easily into a pocket or pen holder. Care is simple—wipe with a soft cloth. Dimensions: Ø1 x 14 cm.

The pen features a low-profile clip and a top section with a capacitive tip suitable for touchscreens. Neat finishing and a metallic appearance give it a professional look without being flashy. It is offered in several colours, such as Red, Turquoise and Silver.

Customisation is available by laser engraving, ideal for precise, long-lasting marks. Suitable for companies, associations, schools, clubs and event giveaways seeking a sustainable promotional item. Minimum order: 300 pieces (colours and sizes combined). We can vectorise or retouch your logo in our studio and provide a free quote.
