DESCRIPTION

Unisex backpack in a practical size (29 x 16 x 46 cm) made from PET-PVC for robust structure and everyday use. The front features a contrasting panel with a reflective cord for improved visibility. Mesh side pockets provide storage for a bottle or small items, and a top carry handle makes short transports easy. This personalised backpack is offered in several colour options as listed on the product sheet.

The design includes a wide zip access to the main compartment, an elastic front cord secured by a buckle for attaching gear, and structured seams that maintain the bag's shape. Clean, functional finishes ensure convenient day-to-day use and straightforward maintenance.

Customisation techniques available: Flex, screen printing on objects, multicolour transfer and DTF printing. Suitable for companies, sports clubs, associations, events and private customers looking for a practical, visible backpack. Minimum order: 13 pieces (colours and sizes combined).
