DESCRIPTION

This Vinbox wooden gift box is designed to present and carry a single bottle of wine. Made from paulownia wood, it features a tall, narrow profile measuring 9.5 x 9.5 x 34.5 cm and a rope handle for easy transport. Its natural finish and compact volume make it a practical and attractive option for corporate gifts, events and promotional presents.

The top functions as a removable lid that fits into the wooden body, with the rope handle aiding both opening and carrying. The visible wood grain gives a warm, natural look; clean with a dry cloth or a slightly damp cloth if needed. The slim shape allows straightforward storage and finishing for small production runs.

The box can be personalised by laser engraving or digital printing, suitable for logos, names or simple illustrations. Ideal for companies, clubs, associations and private customers seeking personalised gift boxes. Minimum order: 13 pieces (colours and sizes combined) — lower quantities are possible with additional fees. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
