Designed for everyday use with hot or cold drinks, its stainless steel construction offers robustness while remaining lightweight. It comes in several colours (for example Black, Blue, White). Hand wash is recommended to protect the bamboo cap.

The bottle pictured features a matte finish, a stable rounded base and a smooth shoulder for easy filling and cleaning. Size: Ø7 x 21 cm. Note that the natural bamboo cap may show slight variations in grain and colour.

This personalised bottle can be decorated by digital printing, laser engraving, screen printing on objects, pad printing, doming or sublimation. Minimum order: 13 pieces (colours and sizes combined).
