DESCRIPTION

Compact notebook (13 x 1.3 x 18 cm) featuring a hard bamboo cover and spiral binding for everyday use. It contains 140 pages of recycled paper and comes with a matching push-button ballpen with a bamboo barrel and ABS details, held in a convenient elastic pen loop. The natural bamboo cover shows slight grain and tone variations from piece to piece.

Practical details include a vertical elastic closure to keep the notebook shut and a left-hand spiral that allows the pages to lie flat for writing. Its compact size makes it suitable for meetings, trade shows and promotional giveaways. Care is simple: wipe the cover with a dry or slightly damp cloth if needed.

Customisation options include laser engraving, pad printing and screen printing on objects. This personalised notebook is ideal for companies, sports clubs, associations, events and private customers. Minimum order: 32 pieces (colours and sizes combined). Our design studio can vectorise or retouch your logo and we provide a free quote within 24 hours on working days.
