Reference	9440
Composition	RPET
Material	RPET
Average weight	0.025
Dimensions	36 x 40 CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

Drawstring bag in RPET, measuring 36x40 cm, ideal for light everyday use at events, clubs or as corporate giveaways. Manufactured from recycled plastic bottles, the material ensures a lightweight, flexible bag with a simple, unisex cut. The polypropylene cords serve as both closure and shoulder straps for easy carrying.

The bag features a gathered top with twin cords for secure closing and a clean finish along the opening to help even cinching. Available in multiple colours such as Black, Royal Blue and Red, its 36x40 cm size holds documents, a small bottle and personal items while remaining compact when empty.

Customisation options for companies, associations, sports clubs and events include screen printing, multicolour transfer, DTF printing, flex and sublimation. Minimum order: 100 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo; collection from our Evere workshop or delivery in Belgium, France and Luxembourg is available.
