DESCRIPTION

This 240 ml stoneware mug, model Tweenies Sublim, features a compact cylindrical shape with an ergonomic handle suited to daily use in offices, events or at home. Its special coating for sublimation enables photo-quality, durable prints; the dimensions (Ø8.5 x 8.5 cm) make it easy to grip and store. The clean, practical design makes it a reliable choice for branded merchandise and gift sets.

The mug shows a pronounced rim and an attached handle that aid handling. The smooth finish highlights prints produced by sublimation or pad printing (tampography) without unwanted texture. Its classic silhouette is well suited to full-wrap or spot decoration areas.
