DESCRIPTION

The Flexilight is an office accessory made from ABS, designed for reading and small precision tasks. Its flexible neck allows easy adjustment of the light angle and it can double as a bookmark. Compact (20.5 x 4 cm) and supplied with 2 CR2032 batteries, it provides a portable lighting solution for documents, notebooks and journals. The item is available in several colours, for example Black and White.

For everyday use, the bendable stem lets you position the beam quickly and the flat base makes it simple to rest on a shelf or between pages. The ABS body is lightweight and easy to wipe clean. Note: this promotional item is not available per piece — minimum order 125 pieces (colours and sizes combined).

Customise this personalised office accessory with digital printing, doming or pad printing. Suitable for companies, events, clubs and associations looking for a practical giveaway, and for private customers ordering larger runs. Our graphic studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
