DESCRIPTION

The Yogi exercise mat is made from lightweight EVA foam and provides a stable surface for yoga and general fitness. Measuring 180 x 60 x 0.4 cm, it rolls up neatly and includes a polyester mesh carry sleeve for easy transport and ventilation after use. Its slim profile makes it convenient for studio sessions and outdoor practice.

The photo shows the mat rolled and secured with a strap; the mesh pouch protects the mat while allowing moisture to escape. The product is available in several colours, for example blue, black and stone grey, and can be wiped clean with a damp cloth and mild detergent.

This product is suitable for promotional marking: personalised yoga mat for companies, sports clubs, associations, events and private customers. Customisation techniques available include screen printing (screen printing on objects), multicolour transfer, DTF printing and flex. Minimum order quantity: 13 pieces (colours and sizes combined).
