DESCRIPTION

Lightweight, foldable hammock made from PET, designed for outdoor and camping use. Its simple cut and robust material provide comfortable single-person seating or lounging, with dimensions of 270 x 140 cm and a load capacity of 200 kg. Compact and portable, it packs down for easy transport on hikes, to the campsite or for garden use.

The Jungle model includes the supplied straps and carabiners for straightforward hanging and features an integrated storage pouch visible in the photo for packing the hammock away. Reinforced stitching at suspension points gives practical durability for regular outdoor use.

This personalised hammock can be customised for companies, clubs, associations and private customers using screen printing on objects, multicolour transfer, DTF printing or flex. Minimum order: 10 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo; free quote within 24 hours on weekdays and collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
