DESCRIPTION

Compact cylindrical keyring torch made of ABS, designed as a practical promotional item. Measuring Ø1.3 x 6.5 cm, it houses an LED bulb powered by three AG3 batteries included with the product. The ABS body provides a lightweight, durable feel and the item is offered in several colours, for example Black, Red or Royal Blue.

The torch features a cord and metal key ring for easy attachment to keys or bags; the smooth surface allows for precise marking. A built-in light illuminates the engraved logo on the body, creating a visible effect when the lamp is switched on. Its size and finish make it suitable for events and corporate giveaways.

This personalised keyring is markable by laser engraving. Minimum order: 250 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations, events and private customers. Free quote within 24 hours on weekdays; production, delivery and collection options are detailed in the quote and collection is possible at our Evere workshop.
