DESCRIPTION

The Montado push-ball pen combines an ABS and wheat-straw composite body with a cork-like surface for a natural feel and everyday reliability. Its slim dimensions (Ø1 x 14 cm) make it easy to carry in a pocket or notebook, and it comes filled with blue ink for smooth writing.

The pen is offered in several colours — for example black, blue or beige — and the porous nature of the cork surface may cause slight visual variations between items, a normal trait of natural materials. It features an integrated clip and a tapered tip for comfortable, consistent use.

This personalised pen has a minimum order of 500 pieces (colours combined). Customisation options include screen printing on objects, laser engraving, pad printing and digital printing, suitable for companies, sports clubs, associations, events and private customers. Our studio can adjust or vectorise your logo before production. personalised pen
