DESCRIPTION

Button-action pen with a bamboo barrel, model Bern Bamboo, designed for everyday writing. The pen is slim and elongated, with polished metal details at the tip, clip and push button that contrast with the natural bamboo finish. As bamboo is a natural material, each pen shows slight variations in grain and shade, giving each piece a warm, individual character while remaining comfortable to hold.

The smooth bamboo body is paired with chrome-like metal fittings; proportions offer a balanced grip. It uses blue ink and deploys by pressing the push button. Care is straightforward — wipe with a soft cloth to remove surface dirt.

Customisation options include laser engraving and pad printing, making this personalised pen suitable for corporate gifts, events, clubs, associations and retail. Minimum order: 500 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our graphic studio can vectorise your logo prior to marking. Standard production and express options available, with collection from our Evere workshop or delivery in Belgium, France and Luxembourg. personalised pen
