Carton	50 pieces

DESCRIPTION

Compact wireless powerbank in recycled aluminium, model Power&Wireless, designed to recharge mobile devices on the go. Built-in battery with a 4000 mAh capacity and dimensions of 12 x 6.5 x 0.9 cm; includes a USB-A output and a USB-C connector for recharging the unit, output DC5V / 1.0A. The slim, flat profile makes it easy to carry in a bag or pocket, suitable for corporate events, trade shows and promotional gifting.

The unit features a power/status button and LED charge level indicators; the central area serves as the wireless charging pad for cable-free charging. Rounded edges and a matte aluminium finish provide a practical, everyday look and are easy to maintain with a soft cloth.

Product sold with a minimum order quantity of 25 pieces. Customisation available by laser engraving, pad printing, digital printing and doming. Recommended for companies, clubs, associations and event organisers seeking a personalised powerbank as a branded giveaway or business gift.
