DESCRIPTION

Set of 4 stainless steel ice cubes model "Icy" supplied with a velvet pouch. These reusable metal cubes chill drinks without dilution and measure 6x8x2 cm, making them suitable for individual glasses. The stainless finish gives a polished look and is easy to clean with water and soap. Presented as a gift set ideal for corporate giveaways, client gifts or small team presents.

The soft pouch protects the cubes for safe storage and transport, while the slightly rounded edges reduce snagging. The set is supplied in a single colour for the pouch (black), and fits neatly into gift packaging.

The set can be personalised by DTF printing, multicolour transfer, flex or laser engraving depending on the desired effect. Minimum order: 50 pieces (colours and sizes combined). Suitable for businesses, clubs, associations and event gifts — free quote within 24 hours on weekdays and a graphic studio available to vectorise your logo.
