DESCRIPTION

Compact mushroom-shaped wireless speaker in ABS, sized Ø5.5 x 5 cm, designed for portable use. It features a circular speaker grille, two control buttons and a suction cup base for attachment to smooth surfaces. A rechargeable 180 mAh lithium battery and USB cable are included. The ABS casing is easy to maintain with a soft cloth, making it practical for events, desks or promotional giveaways.

The speaker is available in several colours, including Black, Royal Blue and Red, and its moulded details (grille, buttons, suction base) provide straightforward handling. Its small footprint suits distribution at events or as a branded accessory for staff and visitors.

Customisation is available by pad printing; this personalised speaker is suitable for businesses, sports clubs, associations, schools and private customers. Minimum order: 50 pieces (colours and sizes combined) — smaller quantities possible with additional fees. Free quote within 24 hours on weekdays; our studio can vectorise or retouch your logo. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
