DESCRIPTION

The Fly Tag aluminium luggage label is a compact, durable travel accessory measuring 7.5 x 4.5 cm, supplied with a screw cable and an integrated ID card for name, address, telephone and e-mail. Its decorative airplane cut-out provides clear identification and a neat finish. Offered in several colours such as black, matte silver and royal blue.

The rigid aluminium shell protects the ID card and keeps contact details readable. The screwable steel cable ensures a secure attachment to suitcases, carry-ons and backpacks. Care is straightforward: wipe with a soft cloth to maintain the aluminium surface and avoid deep scratches.

Order this personalised travel accessory for companies, clubs, associations or events. Customisation techniques available: DTF printing, doming, laser engraving and pad printing. Minimum order: 250 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees.
